

## Asilomar 2010 Payment Plan

The Asilomar payment plan is set up in the following way:

- ✚ Automatic payments charged on a Credit Card (Visa, MasterCard, or AMEX)
- ✚ The Credit Card used must have a valid expiration date beyond October 1, 2010
- ✚ When the deposit is paid at the time of registration, the balance is divided into 3 installments. If there are two people on the registration, the per-person rate is multiplied by two.

**Examples:**

**Single room @ \$550.00 minus the deposit of \$175.00 = Balance of \$375.00  
divided by 3 installments = \$125.00 per payment.**

**Double room with two people registering @ \$400 per person = \$800 total  
cost, minus the deposit of \$350 (\$175 x 2) = Balance of \$450 (\$225 x 2)  
divided by 3 installments = \$150 per payment, which covers both people.**

- ✚ Payments are charged in March, May and July 2010
