

THE WEST CENTRAL REGION BOARD & KEY LEADER EVENT

Building Effective Ministry Leaders: Finding Your Style Through Calm and Storm

When: February 24 - 25, 2012

Where: Unity of the Valley Spiritual Center - Vacaville

Time: Friday Night 7:00 pm - 9:00 pm
Saturday 9:00 am - 4:00 pm

Our facilitators for the weekend will be our Peacemaking Team: Rev. Joe Sloan, Rev. Sonya Milton, Rev. Marylee Revels, Rev. Denese Schellink and Rebekah Doughty.

Whether it's your personal life or your Unity Ministry, each has a style unique unto itself. Your style is not an aspect of yourself you should try to change. Rather, learning to successfully manage your style is much more likely than changing your style. Discover how you can accept your style preferences, and thereby learn to skillfully manage yourself and your Ministry teams.

Join with other Unity Board members, Ministers, and Key Leaders in this annual West Central Regional event as we envision a prosperous, peaceful, and amazing expansion of Unity and our timeless message of Practical Spiritual teachings.
