“Every person is a spiritual being. Every person is innately good. Every person is a potential Christ. But only a very few know this, and even fewer succeed in expressing any marked degree of the perfection of the Christ within. We all have a long way to go, but we have a goal that is believable and perfectible.”

Unity minister Rev. Marylee Revels will lead a class on two Saturdays using a Unity Classic, *“Discover the Power Within You”*. Eric Butterworth reveals the greatest discovery of all time. Join us as we uncover and use these marvelous insights.

This class is offered on a “Love Offering” Basis.
